

Non-Government Status

The Board of Directors is pleased to announce that the Honduran government has after a 19-month process recognized our foundation as an ONG (Non-government organization). This will enable the Foundation to work with the children’s welfare agency in Honduras, INFA; to receive tax exemptions; and facilitate the importation of needed goods, which may be donated from the US.

Security Fence

The security fence project begun in March 2012 has been completed providing 570M of protection. The remaining boundaries are secured with barbed wired fence abutting secured farmland.

Electricity

The equipment to supply electricity is on hand and was installed in late September.

Pump House

The pump house is being built to contain the pump, pressure tank and water cistern. Tranquilidad is grateful to Honduras Agape Foundation for a grant for this project.

Deep Well

Working with a Rotary Club in San Pedro Sula based on a grant from a club in N. Wilkesboro, NC a deep well has been dug to provide water. Tranquilidad will soon have electricity and water!

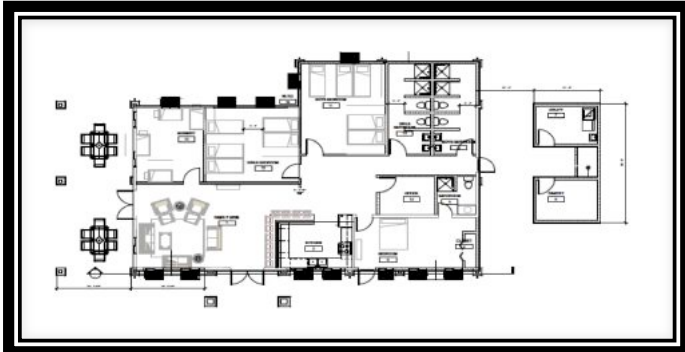

Storage Building

The construction of a storage building will begin in early October that is needed to house construction materials and equipment.

Home Construction

Tranquilidad is working with volunteers from WMA Architects, Macon, GA to develop the plans for the home. Construction will begin in late 2013. With God's help, we will have the resources to build the first home.

Tranquilidad's Missionaries

Sam and Roxanne Turnipseed have just returned from Quimistan, Honduras for a 6-week furlough having been there for eight months.

“ We are so thankful for the support we feel daily by those of you who are committed to pray for us. Your prayers have sustained us when we have questioned our move; during the months of working through the legal processes; and as we have missed our family, friends and church home.”

How can you help?

-  Pray for our mission outreach, construction safety and funding.
-  Serve on a committee.
-  Visit us in Quimistan.
-  Make a tax-deductible donation.

Non-designated or designated

- + Cement blocks \$0.60 ea.
- + Truckload of sand \$120
- + Truckload of rocks \$120
