

## 2020 in Review

We are so grateful to each of you who have donated funds, prayed, and supported us through 2020. Most of all we are grateful to God who has been faithful to meet our needs, protect our families and property during COVID and the recent hurricanes. Jesus remains our focus and guiding light in a dark world!

Our founding missionary, Roxanne Turnipseed, missing from the photo is on a sabbatical in the US with plans to return in early February.

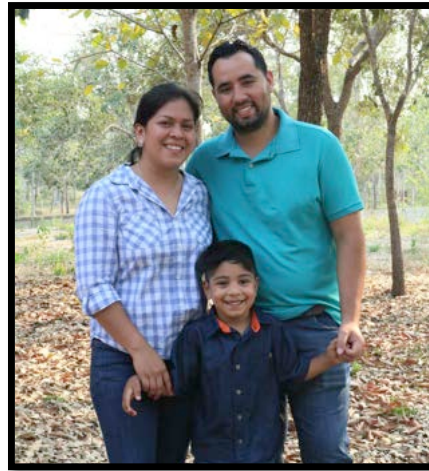

*Happy New Year from our Tranquilidad Family to Yours!*

**March 16<sup>th</sup>, our borders were closed and severe restrictions were placed due to the COVID-19 pandemic. The world as we had known it changed but God kept working!**

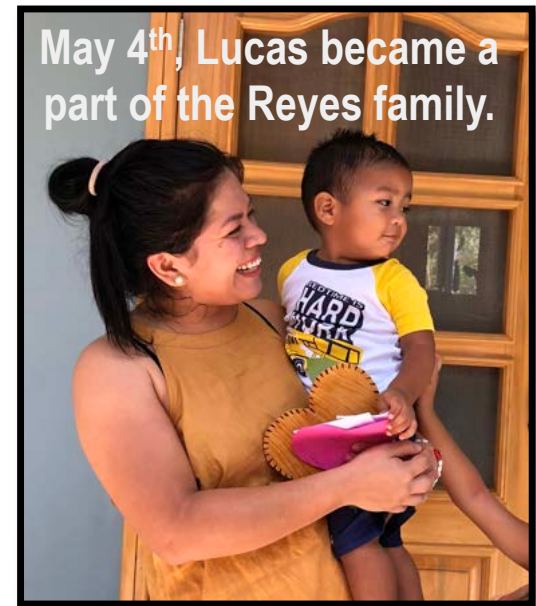

January, we dedicated our second foster house in memory of Sam Turnipseed, a.k.a. Papa Sam.

April 4<sup>th</sup>, Nelson and Jency Reyes with their son, Jair, moved into our second home to join our foster care program!

March 12<sup>th</sup> we received Melany, 15 months, who moved directly into foster care as Joel's sister.

May 4<sup>th</sup>, Lucas became a part of the Reyes family.

July 5<sup>th</sup>, Jair and Lucas gained a sister when Julia joined the Reyes family!

When we had to ask our first foster family to leave our program, God was faithful to have the Lopez family ready to step in with 3 hours notice in August. Ever, Nolvía, and their two daughters Katherine and Fernanda moved in and began fostering Joel, Emmanuel and Melany.

On October 4<sup>th</sup>, Angel, Victor and Elias moved into their new family and new home!!!

September 27<sup>th</sup>, the Castillos, Carlos, Mirian and their son, Joshua, joined us as our 3<sup>rd</sup> foster family.

October 4<sup>th</sup> Moises joined the Reyes family! He was reunited with Julia and Lucas and gained a new brother in Jair. **And our children's home was empty! PTL!!!**
